

# COVID-19 VACCINE TEAM

ULTRACAREANESTHESIA.COM

When you want the best professionals managing, coordinating, staffing -- and caring -- for your health care operations and vaccine program needs, UltraCare is your Workforce Solution.

UltraCare can quickly mobilize our COVID-19 Vaccine Team of experienced, licensed health care professionals to be deployed to your location. We handle vaccine operations from start to finish through a central command post that manages:

- Vaccine administration
- Verification of lot numbers and site injections
- Documentation completion
- All insurance, travel arrangements and provider testing

UltraCare's team of professionals, experienced in a variety of clinical and managerial settings, have a unique understanding of health care operations. We have the tools and resources to help you overcome your challenges quickly and affordably.

**Whether you need full- or part-time staffing solutions, special project coordination, health care crisis management, anesthesia program management, or medical/legal consultation our team can customize a plan for you.**

# WHY SHOULD YOU CHOOSE ULTRACARE?

## QUALITY

- A national bench of providers (RN's, LPN's, CNA's, CRNA's, APN's/ NP's, Pharmacists, Anesthesiologists.
  - Geofencing technology to acquire local provider choices to reduce costs.
- All providers are fully insured with top-rated professional malpractice insurance which eliminates the insurance costs/liability for clients.
- Extensive screening & vetting process including:
  - Criminal background checks, License Validation, Drug Screened, OIG exclusion list cross checked for fraud.

## ORGANIZATION

- Simplified credentialing software utilizing Block-Chain tech to complete credentialing packets in hours rather than weeks
- Relationships with national corporate networks to make travel/transportation/airline arrangements at a reduced cost.
- A dedicated concierge model to ensure providers arrive comfortably accommodated, happy, and ready to perform!

## FLEXIBILITY

- No Minimum time commitment required for booking
- A Flat fee structure to remove pass through costs for malpractice, administrative fees and mileage.
- No restrictive covenants to promote temporary positions to permanent solutions.
